

SUMMERMUSIK

CINCINNATI CHAMBER ORCHESTRA | FESTIVAL

INDIVIDUAL SPONSORSHIP

OUR MISSION

*We create intimate experiences that
connect the musically curious.*

INTIMACY

The ensemble's smaller size allows you to get closer to the music and the musicians, helping to erase the invisible divide between audience and musicians, connecting you to the art in a new way!

Summermuisk is where audiences and artists come to share an experience. Whether it's our free Prelude Talks with our music director or post-concert artist receptions, we always look for ways to create transformative experiences for our audiences.

EXPERIENCE

ACCESS

Summermusik is committed to diversity, equity, and inclusion through programming; board, staff, and musician composition; and partnerships with organizations serving underserved communities. We directly invested more than \$100,000 for programming benefiting these communities in 2023!

DISTINCT REPERTOIRE

Chamber orchestras have a unique range of repertoire, spanning from the classical music giants of yesterday to world premiere commissions.

Summermusik presents a musical experience you won't have anywhere else!
